Living with you

Chorus:

Life is beautiful

Beautiful is life

I wanna share it with someone special?

The way you walk

The way you talk

I can't explain how much I love you

With only you

I wanna live

Oh it's nice living with you?

Chorus:

When I look in you eyes

I don't now what to do

Then I completely freeze

And then I think:

What a beautiful woman is that

Oh it's nice living with you?

Chorus: (4x)
