Chorus:

My name is mister sexy
And I am always happy
And I like playing with the girls
My name is mister sexy
And I am always ready
For a joke or something else

The girls are coming to me
They say they wanna f*ck me
But I just wanna play with them
They think I really love them
But when they think I dump them
Yes my name is really mister sexy

When the girls are coming outta my bed
They are so horny like hell
And then they don't know what to do
Yeah I am like a drug
Once you tasted me
You just want more and more

I'm gonna manipulate you
Until you wanna f*ck me
I let you do things you never should do
And then I'll send you back to home
Like I'd never saw you
And I'll never f*ck you again
