Ask any stranger out on the boulevard
Who is alone? They'll say it's me
In any country, this road leads everywhere
A road that leads down to the sea

Color me blue, when the lights are bare
Sing me the tune that won the war
Sing me the song, I'll go anywhere
And I'm blue, blue, ocean blue

I read your letter, it must have been a hundred times
Before the words fell from the page
It's almost D day, the crowd gathers in the street
Still I have no flag to wave

Color me blue, when the lights are bare
Sing me the tune that won the war
Sing me the song, I'll go anywhere
And I'm blue, blue, ocean blue

Color me blue, when the lights are bare
Sing me the tune that won the war
Sing me the song, I'll go anywhere
And I'm blue, blue, ocean blue

Yes, I'm blue, blue, ocean blue
So blue, blue, ocean blue
Yes, I'm blue, blue, ocean blue
Blue, blue, ocean blue

Yes, I'm blue, blue, ocean blue
Blue, blue, ocean blue
Yes, I'm blue, blue, ocean blue
So blue, blue, ocean blue

Yes, I'm blue, blue, ocean blue
