You're smile

Refrain:

When you smile to me
I am so happy
But if you are sad
Is my hart bleeding

Strophe1:

When I was home alone and sick
I looked to you're picture
And when I saw you're face
I wanted to be with you
But that isn't a good idea
Because you love somebody else
And when I come to you
You're smile will be gone

Refrain:

Strophe2:

Yesterday I stood before you're home
And I knocked a thousand times
Why didn't you open the door
I just new you were there
Didn't you heard me knocking
Or didn't you wanted to see me
I'll never now
Cause I'm saying goodbye

Refrain:

3 years later

Strophe3:

I met 100 of girls
And I still didn't forget you
I'm asking you why, why, why,
Are you so special for me
I don't remember of what you look like
There's only one thing I remember

Yes, it is you?re smile
There?s only one in the world

You?re smile
