Sunlight wakes me,
Just to say let's go to sleep now,
You work early,
So for this hour I'll just look at you

There is nothing meant to happen,
In This World,

I don't want to go,
But I can't say I've had a good time,
Doing Anything.
I don't want to go,
But I can't say I've had a good time...

Dig beneath my skin,
And find out,
What there really is to be.

I don't want to go,
But I can't say I've had a good time,
Doing Anything.
I don't want to go,
But I can't say I've had a good time...

I don't want to go,
But I can't say I've had a good time,
Doing Anything.
I don't want to go,
But I can't say I've had a good time...
