In the beginning God created the heavens and the earth.
Till now the earth was formless and empty,
darkness was over the surface of the deep,
and the Spirit of God was hovering over the waters.

I still keep your letter
full of little promises
In my heart
I can never lose it

Even now I hear your voice
Young and full of dreams
"Let's go there"

Looking up at the sky
I'm surrounded by stars you left behind
But the star labeled 'me'
is still with you

(The day you left)
(Is burned into me)
