My love
There's one thing you should know
When I
When I'm gone I want to come home

Paint me a picture
Post it up so I can see you
Whenever you aren't here with me
Write me a letter
So I can imagine your voice
Without having you here

'Cause I can't stand
When you're away
And I
Want you here

My dear
My heart I give to you
I will love you
I will love you forever

I will love you
I will love you forever
And forever we'll be

'Cause I can't stand
When you're away
And I
Want you here

And I
'Cause I can't stand
When you're away
And I
Want you here

'Cause I can't stand
When you're away
And I
Want you here
