"Almost Home"

When you give all you can
And you feel nothing's good enough
When you don't understand
Why your life is in someone's hands

Don't let it bring you down
Tonight

Just close your eyes, you'll see
Your beautiful destiny
This will be over soon
This I do promise you
You're coming back
You're almost here

Does it hurt when you cry
From the pain that's been hiding inside?
Does your body feel weak
From the lack of your sleep
Do you ever just want to know why?

Don't let it bring you down
Tonight

Just close your eyes, you'll see
Your beautiful destiny
This will be over soon
This I do promise you
You're coming back
You're almost home

Just close your eyes, you'll see
Your beautiful destiny
This will be over soon
This I do promise you
You're coming back
You're almost home

Close your eyes, you'll see
Your beautiful destiny
This will be over soon

This I do promise you
You're coming back
You're almost home
