Come on come on  
Come on come on

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place

Dying to tell you  
Just the way I feel  
I've been looking for your conversation  
Darling I've been trying to tell you  
Exactly what is real  
So come on I've been waiting here too long

So here I am  
It's in your hands

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place

Nothing will take my place

I've been dying to tell you  
Just the way I feel  
I've been looking for your conversation

So here I am

It's in your hands

So here I am  
It's in your hands

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place

Come on come on  
Come on come on  
Come on come on  
Come on come on  
Come on come on  
Come on come on  
Come on come on  
Come on come on

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place

Come on come on  
Come on come on  
You'd better take me  
'Cause I know I know  
I know you know  
Nothing will take my place
