White clothes but soul of goat  
Where is you wings  
Kiss the cocks with sweet moan  
Moan on wicked lips  
Open you crimson gates  
Give me your sweet hole  
I'll give you pleasure of sin  
Go on, angel! Show me your flesh  
One of Lord's creatures  
Fall into the abbys,  
Abbys of hot genitalias  
Abbys of unholy pleasure  
I'll take you to hell  
Your soul and cunt are mine  
I'll never forget that beauty  
Of sweet and horney angelcunt

Angelcunt - so sweet  
Angelcunt - increable abbys  
Angelcunt - so hot  
Angelcunt - red fucking hole

Angel, fly away  
Kiss the sky at last time  
Angel, where is your prey  
God hates you now  
I'll give you my kingdom  
Black kingdom of lust  
Dead kingdom of pleasure  
Sweet kingdom of holocaust
