\*chorus

All I wanna do is shake my shit just shake my shit  
tonight  
All I wanna do is shake my shit just shake my shit  
tonight  
All I wanna do is shake my shit just shake my shit until I  
get it right  
All I wanna do is shake my shit just shake my shit  
tonight

Tomorrow maybe I'll repent, tomorrow I will stem the  
tide  
Tomorrow maybe I'll repent, tomorrow I will kiss the  
bride  
Tomorrow the turn table spins, tomorrow this dog has  
his day  
Tomorrow the mutiny begins, tomorrow I will sleep in  
the shade

\*chorus

Tomorrow I'll erase the state, tomorrow I'll brace for the  
fall  
Tomorrow I will thin the herd, tomorrow I'll return your  
call  
Tomorrow I'll go underground, tomorrow I will mock the  
cause  
Tomorrow I'll finish this song, tomorrow I'll slip pass the  
guards

\*chorus

Tomorrow I bring pestilence, tomorrow I bring pain  
Tomorrow might bring holy fire, tomorrow I bring rain  
Tomorrow I'll man the barricade, tomorrow I will go  
down swinging  
Tomorrow the mutiny begins, tomorrow I will still be  
singing
