World Wide Rebel Songs
Sing out loud all night long
Hang on man, it won't be long
World Wide Rebel Songs!
[x2]

In the alleys of Harare
The tenements of London town
Where there's voices raised and barricades
Believe me, man, I'm down
Tyrants, bloodsuckers and bagmen
Got us pickin' through the crumbs
Raise your voices all together
Motherf*cker, here we come

World Wide Rebel Songs
Sing out loud all night long
Hang on man, it won't be long
World Wide Rebel Songs!
[x2]

In the hallowed pubs of Ireland
In Nairobi's sprawling slums
In Korea open fire
With the guitar, bass and drums
Down in Gaza, down in Fresno
Out your door and down your street
Are ya gonna stand around
Or are you gonna be free?

World Wide Rebel Songs
Sing out loud all night long
Hang on man, it won't be long
World Wide Rebel Songs!
[x2]

I was born here and I'll die here
You can't drive me away
Freedom's train has left the station
And it's pullin' in today
We won't be coming home tonight, love

The fight has just begun
Raise your voices all together
Motherf*cker, here we come

World Wide Rebel Songs
Sing out loud all night long
Hang on man, it won't be long
World Wide Rebel Songs!
[x2]
