You know you make me wanna shout (shout)  
Look my hand's jumpin' (shout)  
Look my heart's thumpin' (shout)  
Throw my head back (shout)  
Come on now (shout)  
Don't forget to say you will (shout)  
Yeah, don't forget to shout (shout)  
Yeah, yeah, yeah, yeah, yeah

Say you will (say you will)  
Throw your head back baby (say you will)  
Come on, come on (say you will)  
Throw your head back, ooh (say you will)

Come on now (say)  
Say that you love me (say)  
Say that you need me (say)  
Say that you want me (say)  
Ain't gonna leave me (say)  
Come on now (say)  
Come on now (say)  
Come on now (say)

I still remember (shoobie doo wap)  
When you used to be 9 years old (shoobie doo wap)  
Yeah, yeah  
I was in love with you (shoobie doo wap)  
From the bottom of my soul (shoobie doo wap)  
Yeah, yeah  
Now that he's old enough (shoobie doo wap)  
Enough to know (shoobie doo wap)  
You wanna leave me (shoobie doo wap)  
Don't wanna love me so (shoobie doo wap)

I want you to know (yeah)  
I said, I want you to know right now (yeah)

You've been good to me baby (yeah)  
Better than I been to myself (yeah)  
Yeah, yeah  
And if you ever leave me (yeah)  
I don't want nobody else (yeah)  
Yeah, yeah  
Because I want you to know (yeah)  
I said, I want you to know right now (yeah)

You know you make me wanna shout  
Ooh, shout, ooh, shout, ooh, shout, ooh  
Alright (shout)  
Alright (shout)  
Alright (shout)  
Take it easy (shout)  
Take it easy (shout)  
Take it easy (shout)  
Alright (shout)  
Alright (shout)  
Alright (shout)  
He-he-e-ey (he-he-e-ey)  
He-he-e-ey (he-he-e-ey)  
He-he-e-ey (he-he-e-ey)  
He-he-e-ey (he-he-e-ey)

Shout now  
Jump up and shout now  
Everybody shout now  
Everybody shout now  
Everybody shout, shout, shout, shout, shout, shout  
Ah, shout, shout, shout, shout, shout, shout  
Oh, shout, shout, shout, shout, shout  
Ah, shout, shout, shout, shout, shout, shout  
Ah, shout

Well, I feel al-l-l-l-right
