Voice:

People always tell me
If you truly believe in something,
that something will finally come to you

In my dreams,
there is someone like you
and it seems
this is the day my dreams come true
hold me now
Never let go
hold me now
cause im fallin'
don't know what to do

I am fallin',
falling in love with you
I am fallin',
I am fallin',
falling in love with you...

Voice:

I will always believe in you,
No matter what people say
I will always go back to you

We'll look inside
and i'm lost forever
no need to hide
we always be together
hold me now
never let go
hold me now
cause im fallin'
don't know what to do

I am fallin'
falling in love with you
I am fallin'
I am fallin'
falling in love.....

I am fallin'
falling in love with you
I am fallin'...
in love with you
I am fallin'....
