Sometime, Somewhere, Someone
Will open up your heart

Like the water flows, love
Love slipt through your fingers,
That's the way it goes

You sit and wait, you lose the fait
Love just seems too far away to reach you
But hold on, and be strong

Sometime, Somewhere, Someone
Will open up your heart
Sometime, Somewhere, Someone
Will love you from the start
Sometime, Somewhere, Someone
Sometime, Somewhere, Someone

The hurt inside your soul, seems to
be the uncontrolled. But you have to
keep believing.

You sit and wait, you lose the fait
Love just seems too far away to reach you
But hold on, and be strong (X2)

Sometime, Somewhere, Someone
Will open up your heart
Sometime, Somewhere, Someone
Will love you from the start
Sometime, Somewhere, Someone
Sometime, Somewhere, Someone
