Lyrics by RMS Hreidmarr

Make love with chaos, once in a lifetime...
I've seen the son of the man
He came to save the ones who were lost
Fathers shall not be condemned to death for the sons
Neither shall sons for their fathers
And everyone shall die for his own sin.

Holy me, blessed be
Arise in the ASA glory
ASA, Sahasrar shall abolish the man in me
Black Death, nonetheless...

Black Death, nonetheless
Black Death for me
For my disease is carrying all the sins of humanity
For my death shall be the negation of your miserable
existence
I was talking with Lucifer yesterday
He said he loved you, monkeys

He's the only one who cares about you, masses
I don't care, don't give a good goddamn
May you all die, bunch of pigs
Wish I was dead and crucified too

Stigmatized by your weak, ignorant moral
My body's raped and desecrated by your innocent
newborn sons

Anus-Dei
God, their flesh tastes so good

Flair of the Apocalypse
Lucifer was born a long time after me
And you love to gently caress his perfect hair
What a beautiful child you have, Madame

Ah, comme je peux haïr tous ces misérables
assemblages de chair
Ces relations faibles et repugnantes

Mais comment ne pas vomir sur ces corps abjects
Ces tripes fumantes enlaccées ?
Ah, si seulement je pouvais broyer toute cette viande
pourrie
Dechiqueter ces putains d'esprits
Expulser leurs fluides, leurs âmes, toute cette atroce
puanteur
Ah comme je peux hair celui qui a osé les créer
Je lui ferais bouffer toutes ces créatures
Jusqu'à ce qu'il en creve
Et qu'enfin je retrouve la sphère divine
Vierge et immaculée

Car Dieu m'a dit... toute vie doit cesser...
