Some friends of mine and me stayed up all through the  
night

Rockin' pretty steady till the sky went light

And didn't go to bed

Didn't go to work

I picked up the telephone

Told the boss he was a jerk

Your mama don't like it when you run around

With me

But we got to hip your mama

That you got to live free

Don't need her. Don't need school

You don't like your daddy and you don't like rules

So, c'mon baby let's go

Don't you hear the rock 'n' roll playin' on the radio

Sound so right?

Girl your better grab hold

Everybody's got to know

Anything that's rock 'n' roll's fine

Anything that's rock 'n' roll's fine

Oh oo oh my little baby

I'm a little bit shakin'

I'm a little bit crazy

But I know what I want

I wanna it right now

While the 'lectric guitars are playin' way up loud

So, c'mon baby let's go

Don't you hear the rock 'n' roll playin' on the radio

Sound so right?

Girl your better grab hold

Everybody's got to know

Anything that's rock 'n' roll's fine

Anything that's rock 'n' roll's fine
