Come on go with me, babe  
Come on go with me, girl  
Baby, let's go  
To the cabin down below

I got a radio  
Put in on soft and low  
Baby let's go  
To the cabin down below

Well, I've had my eye on you  
For a long, long time  
I'm watching every thing you do  
Baby, you're gonna be mine

Come on go with me, babe  
Come on go with me, girl  
Baby, let's go  
To the cabin down below, oh

Well time's been moving slow  
Since we both got here  
Come on slide a little closer  
Let me whisper in your ear

Well I got a radio  
Put in on soft and low  
Baby let's go  
To the cabin down below

Yeah, baby, let's go  
To the cabin down below  
Baby, let's love  
In the cabin down below
