I sure like that candy
I don't go for them turnip greens
I sure like that candy
I don't go for them turnip greens
So when you put it on the table
Oh, mama, think about me

Yeah

Well, I don't drink Coca Cola
But I sure like the ol' moonshine
Well, I don't drink coca cola
But I sure like the ol' moonshine
Yeah, we drink it from a fruit jar
With my little baby by my side

Alright

Well, I don't much like walkin'
But I love my Eldorado ride
I ain't never cared a thing about walkin'
But I love my Eldorado ride
Yeah, we run it around the cornfield
With my little baby by my side

Yeah, we do

I sure like that candy
I don't go for them turnip greens
I sure like that candy
I don't go for them turnip greens
So when you put it on the table
Oh, mama, think about me

Alright

I sure like that candy
I sure like that candy
I sure like that candy
Oh, mama, think about me
Alright
Mama, think about me
