Every woman and every man
Knows the feeling so well
Those times when the heart just can't understand
The times when you never can tell

So deliver me, deliver me
Baby take this heart, set it free
Take this chance, take this dream
Baby take this heart deliver me

Well I was born with something down inside of me
And it's carried me over, delivered me
Yeah delivered me, I'm standing' at your gate
Just out of reach of the hands of fate

So deliver me, deliver me
Baby take this heart, set it free
Take this chance, take this dream
Baby take this heart deliver me

Sometimes I wonder if this is worth the trouble
Sometimes I wonder if this is worth the fight
I never have made my mind up about it
I've just decided to let it all ride, let it all ride, let it all
ride

So deliver me, deliver me
Baby take this heart, set it free
Take this chance, take this dream
Baby take this heart deliver me
Baby take this heart deliver me
Baby take this heart deliver me
