I ain't never gonna let you down  
All you gotta do is trust me  
I would never make you some clown  
Baby why won't you trust me?

You give up so easily  
I don't know why you can't see

I'm depending on you  
Don't let me down  
I'm depending on you

Baby if you can't change the world  
Maybe you should just change yourself  
You used to be such a sweet young girl  
Why you wanna be someone else?

You give up so easily  
I don't know why you can't see

I'm depending on you  
Is it too late now?  
I'm depending on you

You give up so easily  
I don't know why you can't see

I'm depending on you  
Don't let me down  
I'm depending on you

Yes I'm depending on you  
Is it too late now?  
I'm depending on you

I'm depending on you  
I'm depending on you  
Is it too late now?  
I'm depending on you
