Before all of this ever went down  
In another place, another town  
You were just a face in the crowd  
You were just a face in the crowd  
Out in the street walking around  
A face in the crowd

Out of a dream, out of the sky  
Into my heart, into my life  
And you were just a face in the crowd  
You were just a face in the crowd  
Out in the street, thinking out loud  
A face in the crowd

Out of a dream, out of the sky  
Into my heart, into my life  
And you were just a face in the crowd  
You were just a face in the crowd  
Out in the street walking around  
A face in the crowd

A face in the crowd  
A face in the crowd  
A face in the crowd
