You know sometimes, I don't know why
But this old town seems so hopeless?
I ain't really sure but it seems
I remember the good times
Were just a little bit more in focus

But when she puts her arms around me
I can somehow rise above it
Yeah, man when I got that little girl standin' right by my
side
You know, I can tell the whole wide world to shove it,
hey

Here comes my girl
Here comes my girl
Yea, and she looks so right
She is all I need tonight

Every now and then I down to the end of the day
And I have to stop and ask myself why I've done it
It just seems so useless to have to work so hard
And nothin' ever really seems to come from it

But then she looks me in the eye and says
"We're gonna last forever and ever
When we came together darling"
And man, you know I can't begin to doubt it
No, 'cause it just feels so good and so free and so right

I know we ain't never goin' to change our minds about
it, hey

Here comes my girl
Here comes my girl
Yea, and she looks so right
She is all I need tonight
Watch her walk

Every time it seems like there ain't nothin' left no more,
I find myself having to reach out and grab hold of
something
Yeah, I just catch myself waiting, wondering, worrying

About some silly little things that don't add up to
nothin'

But then she looks me in the eye and says
"We're gonna last forever and ever
When we came together darling"
And man, you know I can't begin to doubt it
No, 'cause it just feels so good and so free and so right
I know we ain't never gonna' to change our minds
about it, hey

Here comes my girl
Here comes my girl
Yea, and she looks so right
She is all I need tonight
That's right, that's right
Hey
