Come on now, give me some sugar
Give me some sugar, little honey bee
Don't be afraid, not gonna hurt you
I wouldn't hurt my little honey bee

Don't say a word 'bout what we're doin'
Don't say nothin', little honey bee
Don't tell your Momma, don't tell your sister
Don't tell your boyfriend, little honey bee

She like to call me king bee, she like to buzz 'round my
tree
I call her honey bee
I'm a man in a trance, I'm a boy in short pants when I
see my honey bee
Well, I've got something to say

Look here now, peace in the valley
Peace in the valley with my honey bee
Don't say a word 'bout what we're doin'
Don't say nothin' little honey bee

She give me her monkey hand and a Rambler sedan
I'm the King of Milwaukee
Her juju beads are so nice, she kissed my third cousin
twice
I'm the King of Pomona
Well I've got something to say
