Rain on the river, I'm soakin' wet
Waitin' on a friend who ain't come yet
And he might not get here for three or four days
I've got to make a little bit go a long way

Yeah

I've got a blond headed woman who likes to come
around
Cute little hippy girl lives in town
Brings a bag of records and she plays 'em 'til dawn
Give me little lovin' then she got to go home

When times are hard
When you start feelin' low
Let yourself go

When the river's risin'
And the world feels cold
Let yourself go
Let yourself go

Come on

I got a 442 sittin' in the sun
Well, it been ten years since she used to run
Man, she was a beauty in '69
But there ain't no more comin' down the line

When times are hard
And you start feelin' low
Let yourself go

When the river's risin'
And your world feels cold
Let yourself go
Oh, honey, let yourself go

Yeah
Come on

Let yourself go

Let yourself go

Oh, who's my baby?

Who's my baby?
