I used to think that when this was all over
You might feel different 'bout me
Yeah I always knew, one day you'd come around
Now I wonder if dreams are just dreams

Woh ohh
I'm having trouble letting you go
Woh ohh
I'm having trouble letting you go

Baby look out your window
It's raining on your summer home
You by the fire keeping warm and dry
There's no one as honest as those in pain
Oh honey can you see me? Will you let me inside?

Woh ohh
I'm having trouble letting you go
Woh ohh
I'm having trouble letting you go

And it's a restless world, uncertain times
You said hope was getting hard to find
But time rolls on and days roll by
What about the broken ones? What about the lonely
ones?
Oh honey i'm having trouble letting you go

It's off in the distance somewhere up the road
There's some easy answers for the tears you've cried
And it makes me uneasy, make me feel different
Do you get scared when you close your eyes?

Woh ohh
I'm having trouble letting you go
Woh ohh
I'm having trouble letting you go
I'm having trouble letting you go
