One more night, God I've had to fight
To keep my line of sight on what's real
One more day I fear, I've lost my way
I don't know how to say what I feel

Someone better hurry, I'm all alone
And I keep breakin' down
Breakin' down, you know
No one ever taught me to be on my own
And I keep breakin' down
Breakin' down, you know

One more night, my eyes reflect the light
In the distance somethin' bright appears
One more day, it's too hard to explain
(I can't explain)
What goes on in my brain is not clear

Someone better hurry, I'm all alone
And I keep breakin' down
(Breakin' down)
Breakin' down, you know
No one ever taught me to be on my own
Yea, and I keep breakin' down
(Down)
Breakin' down, you know
(Down)

So, hold on one more night
Hold on one more day
Hold on one more night
Hold on one more day, yea

There'll be one more night and things will be made
right
Again I'll hold you tight, my dear
One more day and I'll collect my pay
And soon be far away from here, yea

Oh
Yea, baby
Oh, give me one more night, one more day

Oh
Yea, baby
Oh, give me one more night and one more day, yea
Oh
Yea, baby
Give me one more night, one more day yea
