Here comes that feeling I've seen in your eyes
Back in the old days before the hard times
But I'm not afraid anymore, it's only a broken heart

I know the place where you keep your secrets
Out of the sunshine, down in a valley
But I'm not afraid anymore, it's only a broken heart

What would I give to start all over again
To clean up my mistakes

Stand in the moonlight, stand under Heaven
Wait for an answer, hold out forever
But don't be afraid anymore, it's only a broken heart

What would I give to start all over again
To clean up my mistakes

I know your weakness, you've seen my dark side
The end of the rainbow is always a long ride
But don't be afraid anymore, it's only a broken heart
It's only a broken heart
