"Rockin Around"

Why be lonely?
Why be blue?
You got me, babe
I got you

Yeah, and I can't stop
Thinkin' 'bout
How I dig rockin'
Around with you

I was waiting
You came through
You knew no one
Else will do

And I can't stop
Thinkin' 'bout
How I dig rockin'
Around with you, oh

You

Well, you know I dig rockin' around
You know I dig rockin' around
You know I dig rockin' around
You know I dig rockin', baby

You know I dig rockin' around
You know I dig rockin', baby
You know I dig, baby
You know I dig rockin' around you
