Let me run with you tonight,
I'll take you on a moonlight ride,
There's someone I used to see,
But she don't give a damn for me.

(Chorus)

So lets get to the point,
Lets roll, another joint,
And turn the radio loud,
Im to alone to be proud,
You dont know how it feels,
no you don't know how it feels,
to be me--

People come, people go,
Some grow young,
Some grow cold,
I woke up, in between,
Memory, and a dream.

(CHORUS)

My old man, was born to rock,
And he's still trying to beat the clock,
Think of me what you will,
I've got a little, space to fill,

(CHORUS)

You don't know how it feels,
You don't know how it feels,
No you don't know how it feels,
To be me--.
