"Self Made Man"

If he don't wanna talk leave him alone
If he don't wanna talk leave him alone
He's a self made man, he did it on his own

Now some folks say there's a dangerous side
Some folks say he's got a danger side
He's a self made man, he knows about pride

So help me baby, look what love can do
It scares me baby, does it scare you too?

Some folks say it was a woman he knew
So me folks say it was a woman he knew
He's a self made man, he knows how to lose

So help me baby, look what love can do
It scares me baby, does it scare you too?
