There goes my baby  
There goes my only one  
I think she loves me  
But she don't wanna let on

Yeah, she likes to keep me guessing  
She's got me on the fence  
With that little bit of mystery  
She's a complex kid

And she's always been so hard to figure out  
Yeah, she always likes to leave me with a shadow of a  
doubt

Sometimes at night  
I wait around till she gets out  
She don't like working  
She says she hates her boss

But she's got me asking questions  
She's got me on the fence  
With that little certain something  
She's a complex kid

And she's always been so hard to get around  
Yeah, she always likes to leave me with a shadow of a  
doubt

Just a shadow of a doubt  
She seldom keeps me running  
I'm trying to figure out  
If she's leading onto something  
(Oh)

And when she's dreaming  
Sometimes she saves her breath  
But in the morning  
She don't remember it

But she's got me thinking about it  
Yeah, she's got me on the fence  
With that little bit of mystery

She's a complex kid

And she's always been so hard to live without  
Yeah, she always likes to leave me with a shadow of a  
doubt

Well a shadow of a doubt  
Well a shadow of a doubt
