"Southern Accents"

There's a southern accent, where I come from
The young'uns call it country, the yankees call it dumb
I got my own way of talkin' but everything is done
With a southern accent where I come from

Now that drunk tank in Atlanta's just a motel room to
me
Think I might go work Orlando if them orange groves
don't freeze
I got my own way of workin' but everything is run
With a southern accent where I come from

For just a minute there I was dreaming
For just a minute it was all so real
For just a minute she was standing there with me

There's a dream I keep having where my mama comes
to me
And kneels down over by the window and says a prayer
for me
I got my own way of prayin' but everyone's begun
With a southern accent where I come from

I got my own way of livin' but everything gets done
With a southern accent where I come from
