If there's gonna be trouble tonight
You can meet me at the usual place
If there's gonna be a fight tonight
Remember what you said to my face

Oh and darlin'
Too many words have been spoken
I don't wanna get my heart broken
Like lovers do

No more songs tonight
I'm drivin' to the break of day
No more words tonight
We've got enough to throw away

Oh and darlin'
Now that we two are together
Don't dream this could go on forever
Like lovers do

I can hear you singin' on my
Supernatural radio
I hear you singin' on my
Supernatural radio

Oh and darlin'
Too many words have been spoken
I don't wanna get my heart broken
Like lovers do
Ah, hang on

Yea, you better, you better be sick
Hundred million watts
Yea, I think I've a signal
Yea, it's a hundred million watt, raw power, aye
I can hear Jesus singin' on my supernatural radio
