"To Find A Friend"

In the middle of his life he left his wife
And ran off to be bad, boy it was sad
But he bought a new car, found a new bar
And went under another name, created a whole new
game

And the days went by like paper in the wind
Everything changed, then changed again
It's hard to find a friend, it's hard to find a friend

Meanwhile then, his wife's boyfriend moved in
And took over the house, everybody was as quiet as a
mouse
And it changed their lives, changed their plans
Slowly they grew apart, boy it woulda broke your heart

And the days went by like paper in the wind
Everything changed, then changed again
It's hard to find a friend, it's hard to find a friend

And the days went by like paper in the wind
Everything changed, then changed again
It's hard to find a friend, it's hard to find a friend

And the days went by like paper in the wind
Everything changed, then changed again
It's ha rd to find a friend, it's hard to find a friend
