My sister got lucky, married a yuppie
Took him for all he was worth
Now she's a swinger dating a singer
I can't decide which is worse

But not me, baby
I've got you to save me
Ah, you're so bad
Best thing I ever had
In a world gone mad
You're so bad

My sister's ex-husband can't get no lovin'
Walks around dog-faced and hurt
Now he's got nothin', head in the oven
I can't decide which is worse

But not me, baby
I've got you to save me
Ah, you're so bad
Best thing I ever had
In a world gone mad
You're so bad

Oh, but not me, baby
I've got you to save me
Ah, you're so bad
Best thing I've ever had
In a world gone mad
You're so bad

Ah, you're so bad
Best thing I've ever had
In a world gone mad
You're so bad
