Here we go

I've been wrapped up in confusion
I've been tied down to my bed
Sufferin' some illusion
I'm out of my fuckin' head
It's insane to my brain, I ran away

And now, hey, hey, hey
I'm a zero
(Zero, zero, zero, zero, zero, zero)
Ohh from outer space

But I know you think I'm jokin'
I don't mean the things I say
Like I could but I won't
If I would anyway
It's insane to my brain, I ran away

Yea now, hey, hey, hey
I'm a zero
(Zero, zero, zero, zero, zero, zero)
Ohh from outer space
C'mon, ooo

You
You think that you're above me
You think that you're so big
When I saw you kick that dog
When the wind blew off your wig
It's insane to my brain, I ran away

Well, hey, hey, hey
I'm a zero
(Zero, zero, zero, zero, zero, zero)
From outer space
Yea, ha ha, ooo

Well, hey, hey, hey
I'm a zero
(Zero, zero, zero, zero, zero, zero)
Ohh from outer space

Yes I am
