All down the street they're standin' in line  
With white lipstick and one thing on their mind  
Hey little freak with the lunch pail purse  
Underneath the paint, you're just a little girl

Dancin' at the zombie zoo  
Dancin' at the zombie zoo  
Painted in a corner and all you wanna do  
Is dance down at the zombie zoo

Cute little dropout, how come you pack a rod?  
Is your mother in a clinic ? Has your father got no job ?  
Sometimes you're so impulsive, you shaved off all your  
hair  
You look like Boris Karloff and you don't even care

You're dancin' at the zombie zoo  
Dancin' at the zombie zoo  
Painted in a corner and all you wanna do is  
Dance down at the zombie zoo

She disappears at sunrise  
I wonder where she goes until' the night  
Comes fallin' down again  
You show up with your friends half-alive

Dancin' at the zombie zoo  
Dancin' at the zombie zoo

While you can make a big impression or go through life  
unseen  
You might wind up restricted and over seventeen  
It's so hard to be careful so easy to be lead  
Somewhere beyond the pavement, you'll find the living  
dead

Dancin' at the zombie zoo  
Dancin' at the zombie zoo  
Painted in a corner and all she wants to do  
Is dance down at the zombie zoo

She disappears at sunrise

I don't know where she goes until' the night  
Comes fallin' down again  
She shows up with her friends half-alive

Dancin' at the zombie zoo  
Dancin' at the zombie zoo  
Painted in a corner and all you wanna do  
Is dance down at the zombie zoo

Yeah dance down at the zombie zoo  
Yeah dance down at the zombie zoo
