I saw you one morning and I knew you were the one for me

Yes I saw you one morning and I knew you were the one for me

A certain little something in the way you moved
Jumpy as a puppy on a hot tin roof

Well, I saw you in the morning and I knew you were the one for me

You were tasty, you were tempting and I knew you were the one for me

I swallowed and I followed cos I knew you were the one for me

A certain little something in the way you smiled
Telegraphed a message that was weird and wild
You were beefy and delicious and I knew you were the one for me

Hot Dog, so brown and smooth

Hot Dog, so tender too

Hot Dog, you know it's true

I saw you in the morning and I knew you were the one for me

It was dangerous and crazy but I knew you were the one for me

It was seedy and illegal but I knew you were the one for me

I held you harder as you won the race
Ketchup and mustard all over the place

It was over in a moment but I knew you were the one for me

Hot Dog, so brown and smooth

Hot Dog, so tender too

Hot Dog, you know it's true

I saw you in the morning and I knew you were the one for me
