"The international community struggles To get help
into Haiti following The worst disaster in United Nations
history Amidst the frustration and chaos Surrounding
the humanitarian efforts on the ground There have
been some miraculous rescues" [Kenna] Like a phoenix
From its ashes We will rise Follow angels Into heavens
We will rise Nothing's gonna take you down We are
everlasting now We are everlasting now, now [Lupe
Fiasco] + (Kenna) Now I've been shaken But I'm not
broken I won't be braking Anytime I have fallen But I'm
not ruined I'll keep on moving Into my Resurrection (Oh,
oh, oh, ohhh, oh) Resurrection (Oh, oh, oh, ohhh, oh)
[Lupe Fiasco] Urgency, emergency among us Life is in
the crisis, tragedy's upon us And we won't leave you
stranded Rapidly we cometh To take you out the
darkness Show you where the sun is Cries from the
rubble Are the voices this is sung with And those that
have stopped singing We can still hear you under it
Right up out your worrying Right into the wondrous
Right up off the ground Right to where the thunder is
And it's where your sisters And your mothers and your
brothers is Aunties and your friends and your fathers
and your husbands is Watching with the rest of the world
in astonishment Live from up above, us via news
coverage Seen even more than the misery that
happens is The love, the strength, the history, the
passion The courage of an impoverished people That
the world once abandoned Shining, infinite everlasting
now [Lupe Fiasco] + (Kenna) Now I've been shaken But
I'm not broken I won't be braking Anytime I have fallen
But I'm not ruined I'll keep on moving Into my
Resurrection (Oh, oh, oh, ohhh, oh) Resurrection Into
my resurrection (Oh, oh, oh, ohhh, oh) Resurrection
Into my resurrection Resurrection (Oh, oh, oh, ohhh,
oh) Resurrection (Oh, oh, oh, ohhh, oh) We pray every
prayer we know (Oh, oh, oh, ohhh, oh) [Kenna] We will
rise up We will rise up Oh, oh, oh, ohhh, oh We will rise
up We will rise up Oh, oh, oh, ohhh, oh We will rise up
We will rise up Oh, oh, oh, ohhh, oh We will rise up
