Hey Dave, you know when we get home  
We're really gonna catch it, what's our excuse this  
time?

Well dear, we'll just tell 'em, we're sittin' up  
With this real sick friend of mine, an amazin' brain

You know we just stopped there, 'bout one short stop  
Here we are out on a binge  
Hey, we got no trouble, just doing our number  
Day drinkin' again

Day drinkin' again, we're real good friends  
Tellin' the waitress how we won the war  
Day drinkin' some more

Hey, you remember that time when we was in  
Pittsburgh  
Ooh man, she was a beautiful dream  
You got smashed, locked out on the hallway  
With nothin' on but your DVDs, you didn't have to tell  
[Incomprehensible]

Hey let's have a pizza, I'm starving to death  
We've been drinkin' since 10, 9.30  
Ooh it is fattenin', ah, but then booze is happenin'  
Day drinkin' again

Ah Dave, did you see that movie  
Where this old gal took off all her clothes  
No, I missed that, was that on TV?  
I gotta spend more time at home, channel three, oh

Waitress would you tell the guys in the band  
Play a song for me and my friend?  
Hey, the gray speckled bird and a wild Irish flute  
Day drinkin' again

Day drinkin' again, we're real good friends  
Tellin' the waitress how we won the war  
Day drinkin' some more

And now we ought to go home

The neighborhood ladies are playin' bridge with our  
wives

We'll just stop by them and sing them this song  
I bet they'll be awfully surprised, I don't doubt it

Hey, we're out of money, well, gimme a dime

We'll call one of our friends

Hello buddy there, this is David and Tom

Day drinkin' again, day drinkin' again
