In some of my songs I have casually mentioned  
The fact that I like to drink beer  
This little song is more to the point  
Roll out the barrel and lend me your ears

I like beer it makes me a jolly good fellow  
I like beer it helps me unwind  
And sometimes it makes me feel mellow  
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much  
Vodka puts my mouth in gear  
This little refrain should help me explain  
As a matter of fact I like beer  
(He likes beer)

My wife often frowns when we're out on the town  
And I'm wearing a suit and a tie  
She's sipping vermouth and she thinks I'm uncouth  
When I yell as the waiter goes by

I like beer it makes me a jolly good fellow  
I like beer it helps me unwind  
And sometimes it makes me feel mellow  
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much  
Vodka puts my mouth in gear  
Well this little refrain should help me explain  
As a matter of fact I like beer  
(He likes beer)

Last night I dreamed that I passed from the scene  
And I went to a place so sublime  
Oh, the water was clear and tasted like beer  
Then they turned it all into wine

I like beer it makes me a jolly good fellow  
I like beer it helps me unwind  
Sometimes it makes me feel mellow  
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much  
And vodka puts my mouth in gear  
This little refrain should help me explain  
As a matter of fact I like beer  
(Yes he likes beer)
