Oh boy I'm gonna send Roy his money  
I don't know I might send him a case of lemonade to  
boot  
Well you know when I was a little boy listenin' to music  
I used to listen to Flatt and Scruggs  
And I used to listen to the Stanley Brothers the Osmond  
Brothers  
And all those great bluegrass groups back there in  
Don Reno and Red Smiley were favorites of mine  
Back in this song was recorded just ater the second  
world war  
And I don't know if ya'll remember that or not but it was  
in all the papers  
And everything real big real big war  
And eh we won it just in case you didn't hear  
But I love this song  
I used to sit around on a battery operated radio and  
listen to this tune  
Then when I grew up I learned to pick it a little bit  
And ya'll tolerate this song this is a good 'en right here
