Now the audience is gonna disappear they get thirsty  
they won't come back  
Well I wanna sing this song here  
I love this song I wrote this song several years ago  
And there's some songs that kinda hang around  
And you remember them from time to time  
And I'm so grateful to the disc jockeys of America  
Because as I travel across this country and around the  
world  
Once in awhile on the radio I will hear this song  
And it reminds me that a good song stays around a  
long time  
And this was never a single record was never a hit  
record  
But I'm so happy that I keep hearin' it from time to time  
It means a lot to a songwriter and I suppose to a singer  
And we'd like to do this song for you
