Aww thank you aww you're beautiful
Well I've sung this song all over the world
And eh I would like to thank Cam Mullins
And the folks from the Nashville Symphony Orchestra
and there abouts
Cam has been with me a long time ever since I started
makin' records
And he's conducting the strings tonight and he's a
good friend of mine
And he's a good golfer lies about his handicapp but
you can't do everything
right
And the Lea Jane Singers
We've made a lot of records together and they're great
folks
And it's always a pleasure to see them lookin'
See them all cleaned up with a shower and everything I
don't know a special
night
And the Storytellers who have been with me on many a
mile down the road
And this is the song that sorta got me off the streets I
guess
This is the song that has some songs come and go
And this one has been around awhile
And I thank God for this old gentleman in Miami Beach
Florida
Who shared his philosophy of life with me and I'd like
to share it with you
