(Tom T. Hall)

You have a little love on a little honeymoon
You got a little dish and you got a little spoon
A little bitty house and a little bitty yard
A little bitty dog and a little bitty car.

It's all right to be a little bitty
It's a little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while.

--- Instrumental ---

A little bitty baby in a little bitty gown
It'll grow up in a little bitty town
Big yellow bus and little bitty books
It all started with a little bitty look.

It's all right to be a little bitty
It's a little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while.

--- Instrumental ---

You know you got a job and a little bitty check
Six pack of beer and a television set
Little bitty world goes around and around
A little bit of silence and a little bit of sound.

It's all right to be a little bitty
It's a little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while.

--- Instrumental ---

A good ole boy and a pretty little girl
Start all over in a little bitty world
A little bitty plan and a little bitty dream

It's all part of a little bitty scheme.

It's all right to be a little bitty
It's a little hometown or a big old city
Might as well share, might as well smile
Life goes on for a little bitty while...
