(Tom T. Hall)

I guess I'll go through life
Never having you
I guess I'll go out of this world
Never having you.

There's no way for me to love you at this late date
It wouldn't be the same
There's no way for me to win you I'm so far behind
It's so late in the game.

I know I'll go through life
Never having you
I guess I'll go out of this world
Never having you.

--- Instrumental ---

I know I'll go through life
Never having you
I guess I'll go out of this world
Never having you.

I must believe in reincarnation
I got to have another chance with you
You're wrapped up in your situation you are music
And I'm so far out of tune.

I guess I'll go through life
Never having you
I guess I'll go out of this world
Never having you.

I get mad when I think about it
I know I'm a free thinking fool
This hunger is eatin' my heart out I'm a lunatic
And you are so super cool.

I know I'll go through life
Never having you

I guess I'll go out of this world
Never having you...
