"Over The Rainbow"

Somewhere over the rainbow way up high
There is a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And those dreams that you dare to dream really do
come true

Someday I'll wish upon a star and wake up
Where the clouds are far behind me
Where troubles melt like lemon drops a way above the
chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow why then oh, why can't I
Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow why then oh, why can't I
