I know somewhere they are drivin' lovin' women makin'
money all the time
And ever since I was a little boy that's all I've ever had
on the mind
I had always been a music man I loved anything that
rolls
And all I want is a piece of the road

Piece of the road a part of that traffic that's passin' me
by
Piece of the road a piece of that great big pie in the sky
Want you to use me like you want to Lord
But lemme carry a part of the load 'cause all I want is a
piece of the road

Well forgive me if I love it just a little too much but you
see
I have always been a part of the road and the road is
such a big part of me
Well each man has his calling and mine is to rattle and
roll
And all I want is a piece of the road

Piece of the road a part of that traffic that's passin' me
by
Piece of the road a piece of that great big pie in the sky
Want you to use me like you want to Lord
But lemme carry a part of the load 'cause all I want is a
piece of the road

Well, I ain't too good but I ain't too bad
Though I've been sorry for some things that I've done
I've got to have a piece of the road before I reach the
end of my run
You know time ain't no friend to no man I've got to get
a road on this show
'Cause all I want is a piece of the road

Piece of the road a part of that traffic that's passin' me
by
Piece of the road a piece of that great big pie in the sky
Want you to use me like you want to Lord

But lemme carry a part of the load 'cause all I want is a
piece of the road

Now I wanna go to Dallas Fort Worth Los Angeles New
York Chicago
St Louis Olive Hill Kentucky
All I travel around and see all of them people and pick
and sing
