I got a little friend named Pisty, she's a dandy  
She doesn't care for movies or for candy  
She doesn't care for TV or for frogs  
The reason that she doesn't, she's a dog

You'd like Pisty, she's a friend of mine  
Pisty is a good dog and she guards me all the time  
She's about that tall and about that long  
And she loves to hear me sing her in a song

Now Pisty keeps the bad guys on the run  
She guards me from the milkman when he comes  
She guards me from the mailman when he rings  
And she doesn't like the man who fixes things

And you'd like Pisty, she's a friend of mine  
Pisty is a good dog and she guards me all the time  
She's about that tall and about that long  
And she loves to hear me sing her in a song

Now your dog can have a song about it too  
And I bet its name would fit right in this tune  
So I'll leave my dog out next time we start  
And you can put your dog right in that part

And you'd like Pisty, she's a friend of mine  
Pisty is a good dog and she guards me all the time  
She's about that tall and about that long  
And she loves to hear me sing her in a song
